INSTRUCTIONS ON FILLING OUT AN SPRINKLER PERMIT APPLICATION

At the top right hand corner of the application is a capital M. This is the space where your permit number will be written after you have paid for the permit. There is also a capital B, this is where you will write any building permit number that is associated with the mechanical permit application.

- **Box #1 -** Fill in the number & street address where the work is being done.
- **Box #2 -** This is to be used on multi-story commercial and multi-family residential projects. It can be left blank on single family and duplex permit applications.
- **Box #3** Fill in the name of the contractor doing the work or your name if you are the owner/tenant and are applying for the permit as the owner/tenant.
- **Box #4** Fill in the classification that is on your contractor's license such as HVA, SPR. etc.
- **Box #5 -** Check the class of license located on your contractor's license.
- **Box #6 -** Fill in state board of contractor's license number. It will always begin with 2701 or 2705 and be followed by six digits. Do NOT use a license number that begins with 2710 as this is a tradesman card number and does not allow you to apply for a permit.
- **Box #7 -** Fill in the contractor's street address.
- **Box #8 -** Fill in the contractor's telephone number.
- **Box #9 -** Fill in the contractor's city, state and zip code.
- **Box #10 -** Fill in the contractor's fax number.
- **Box #11 -** Fill in the name of the property owner.
- **Box #12 -** Fill in the property owner's address.
- **Box #13 -** Fill in the property owner's daytime phone number.
- **Box #14 -** Fill in the current use of the property such as restaurant, single family dwelling, duplex, etc.
- **Box #15 -** Fill in the proposed use of the property such as restaurant, office, duplex, etc.
- Boxes #16 through #29 Office use only.

Box #30 - Fill in when dealing with single family houses and duplexes. Note the

- detached and attached designation. If the house stands alone and does not touch the house on either side, it is detached.
- **Box #31 -** Fill in the number of apartment units in the building.
- **Box #32 -** Check the appropriate box, if applicable.
- **Box #33 -** COST INFORMATION Fill in the cost of all labor, materials, overhead, subcontracts and profit. This may be used to determine how much you pay in permit fees
- **Box #34 -** Give a brief description of the work to be done.
- **Box #35** Fill in the name of the person to contact if there are questions about the application or drawings.
- **Box #36 -** Fill in the contact person's phone number.
- **Box #37 -** Fill in the contact person's fax number.
- **Box #38 -** Fill in the contact person's complete address.
- **Box #39 -** Fill in the contact person's e-mail, if available.
- **Box #40** Check whether or not you would like to be called to pick up the permit. If you check "yes", fill in your name and phone number.
- **Box #41 -** If submitting drawings done by an engineer please fill in their name here.
- **Box #42 -** Fill in the Engineer's phone number.
- Box #43 Fill in the Engineer's fax number.
- **Box** #44 Fill in the Engineer's e-mail address.
- Box #45 Area served by permit work -The square footage of the building that a mechanical system will serve.

Sprinkler - Is water based suppression systems.

TYPE OF WORK TO BE DONE -

Underground fire line service

*Add a 2% state surcharge to the final calculated fee

Size - total length of pipe in feet Material - check one

Back flow

Size - check one

Type - check one

Hydrants - total number to be installed

Interior system information

Check type and total number of systems to be installed

Piping material - check type to be installed

New system - check yes or no Existing system - check yes or no No. of Standpipes - insert total number in qty. box

Class 1, 2 or 3 list type in open box

Box #A, B & C - Fill out the asbestos certification with the Applicant's name, property address and signature, if renovating an existing commercial structure. (This section is not applicable to residential structures of 4 units or less.)

OFFICE USE ONLY – DO NOT WRITE IN THIS AREA.
